P 043	Continued From page 1 designated as responsible for its conduct must appear on the face of the license. This Regulation is not met as evidenced by: Surveyor: 22048 Based on observation, the facility failed to operate a nursing pool facility at the location documented on the license by the Administrator documented on the license in accordance with Chapter 439 and 449 of the Nevada Revised Statutes and the Nevada Administrative Code and the standards, rules and regulations adopted by the Board of Health. A survey was attempted on 8/13/09 at the location listed on the License. There were no staff members present in the office and the office did not appear to be in operation. Interview with the corporate office personnel, by phone, confirmed that the office was not operational and that a local contracted staff person checked on the officer every one to two weeks.
